Bourjois MANON LESCAUT

Reg. U.S. Pat. Off.
FACE POWDER

A FACE POWDER which holds a beauty secret that the women of America have been trying to solve for years. Intuitively they knew the solution would come from France, but they have been disappointed in face powders with French names, which were not French. Bourjois' "MANON LESCAUT" is French in name and origin. It has been made for over a generation, by Bourjois in Paris, the oldest producers of face powder in the world. Bourjois' "MANON LESCAUT" Face Powder is today the leading face powder used in Paris, where women know the art of enhancing personal charm. Their secret is yours. It is Bourjois' "MANON LESCAUT" Face Powder, obtainable in the following shades: White, Naturelle, Rachel, Rose, and "Peaches and Cream." (Reg. U.S. Pat. Off.)

Bourjois' "Ashes of Roses" Rouge
Bourjois' "ASHES OF ROSES" Rouge, Reg. U.S. Pat. Off. when properly used, imparts the charm of genuine color to the cheeks, and gives the impression of youth and vivacity without a suggestion of artificiality. American women are showing their appreciation of BOURJOIS' "ASHES OF ROSES" ROUGE, just as the women of Paris are doing. Try it today.

Send 15 cents for generous samples of "Manon Lescaut" face powder and "Ashes of Roses" Rouge, together with beautifully illustrated descriptive booklet.
